

DEPARTMENT OF BIOCHEMISTRY AND MOLECULAR BIOLOGY

Sarah Spiegel, Ph.D.
Professor and chair

[biochemistry.vcu.edu \(http://www.biochemistry.vcu.edu/\)](http://www.biochemistry.vcu.edu/)

The Department of Biochemistry and Molecular Biology is home to a community of dedicated scientists, students and postdoctoral fellows who conduct innovative research on biochemical and molecular mechanisms governing cellular processes. The department offers a strong collegial atmosphere where faculty, students, postdoctoral fellows and administrators work together to promote and share in the discovery of fundamental principles governing life processes.

Students who complete the requirements for this degree will receive a Doctor of Philosophy in Biochemistry.

- Biochemistry, Doctor of Philosophy (Ph.D.) (<http://bulletin.vcu.edu/graduate/school-medicine/biochemistry-phd/>)

Students who complete the requirements for this degree will receive a Master of Science in Biochemistry.

- Biochemistry, Master of Science (M.S.) (<http://bulletin.vcu.edu/graduate/school-medicine/biochemistry-ms/>)
